

GOT A GOOD DC PENSION? DON'T KEEP IT A SECRET!

THE PENSION QUALITY MARK (PQM) IS THE HIGHEST STANDARD OF EXCELLENCE AVAILABLE TO UK EMPLOYERS TO DEMONSTRATE THE BENEFITS OF THEIR PENSION OFFERING

IT IS RECOGNISED BY THE HR AND PENSIONS INDUSTRIES, AND THE GOVERNMENT

◆◆ **ANOTHER GREAT
ACHIEVEMENT AND
ONE WE CAN ADD TO
OUR CREDENTIALS
WITH CLIENTS!** ◆◆

Brought to you by the Pensions and Lifetime Savings Association, the PQM is for all DC schemes, whether trust or contract based, including GPP & stakeholder schemes, which meet the following criteria:

- ▶ Contributions of at least 10%, with a minimum employer contribution of 6%. Pension Quality Mark PLUS is available where contributions are at least 15%, with a minimum of 10% employer contribution.
- ▶ Governance arrangements must be in place to ensure the scheme is operating in the best interest of members.
- ▶ Communications to members must be clear, engaging and easy to understand.

Eleanor Sumner
TUPE Lead, Application Outsourcing Mobilisation,
Total UK Pension Plan, Upstream (DC) Section

◆◆ ABSOLUTELY FANTASTIC AND A GREAT BENCHMARK TO SET FOR OTHERS TO FOLLOW ◆◆

Frances Earl
UKI HR Director,
The Accenture Retirement Savings Plan

TOP REASONS FOR ACCREDITATION:

- ▶ Demonstrate that your pension scheme has been independently ranked as top quality
- ▶ Provides a competitive advantage in staff retention and recruitment
- ▶ Support your employees to save for a comfortable retirement
- ▶ Be at the forefront of employer responsibility in your industry

ONCE QUALIFIED YOU ARE ELIGIBLE FOR:

- ▶ A certificate confirming compliance with the PQM standards
- ▶ Use of the PQM logo on your scheme communications
- ▶ A listing on the PQM website

HOW MUCH DOES IT COST?

The PQM has been devised as a platform to distinguish organisations that reach the PQM standards, not to create unnecessary extra costs for pension schemes. The annual licence fee is £650* for schemes with up to 499 members, and £950* for schemes with 500 or more members.

(* plus VAT)
